

2022 Recycling Survey

This recycling survey is being conducted by the North Central Ohio Solid Waste District (NCO) to identify the type and amount of solid waste materials recycled **from Allen, Champaign, Hardin, Madison, Shelby and Union Counties during 2022** for the residential and commercial sectors only. NCO will use this information for summary purposes only; no company's survey response will be reported individually. Your response to this survey will help measure NCO's progress toward state-mandated recycling goals and help us provide programs that meet local needs.

PLEASE RETURN COMPLETED SURVEY BY **MARCH 24, 2023** TO:

Email: jskora@gmail.com

If you have any questions or need assistance completing the survey, contact Jim Skora at (330) 603-0138 or the email above.

1. Contact Information (this information will be kept private):

2. Materials Recycled in 2022

Please complete the following table by reporting the amount of materials recycled in **2022** that were generated **within Allen, Champaign, Hardin, Madison, Shelby and Union Counties** from the residential and commercial sectors. **No industrial generator materials are to be included in the table below (manufacturing entities).** Examples of residential and commercial entities are as follows:

Residential: community curbside and drop-off programs, special events.

Commercial: establishments that are considered retail, wholesale, restaurants, warehouses, schools, universities, office buildings, libraries, gas stations, grocery stores, churches, government buildings.

Material	Tons Recycled in 2022 from Residential Sector	Tons Recycled in 2022 from Commercial Sector
Mixed/Commingled (Single Stream)		
Paper (Newsprint, Office, Glossy, Books etc.)		
Cardboard/Paperboard		
Glass		
Ferrous Metals (Steel, Iron): <i>NO</i> auto bodies or construction/demolition materials such as rebar, I-beams).		
Non-Ferrous Metals (Aluminum, Copper, Brass): <i>NO</i> auto bodies or

construction/demolition materials such as aluminum siding		
Plastics (#1-#7)		
Other Plastic Bags/Film Plastics		
Wood (Excluding Pallets)		
Wood - Pallets		
Food (NO Cooking Oil)		
Yard Waste (Grass, Leaves, Branches)		
Appliances (White Goods)		
Rubber (Excluding Tires)		
Used Tires		
Used Motor Oil (Residential Only)		
Used Antifreeze (Residential Only)		
Household Hazardous Waste (Residential Only)		
Electronics (Computers, TVs, Cellphones, etc.)		
Dry-cell/Household Batteries		
Lead-acid Batteries (i.e. Automotive Batteries)		
Ink/Toner Cartridges		
Textiles (Clothing, Fabrics)		
Non-Exempt Foundry Sand		
Ash (recycled only)		
Flue Gas Desulfurization Waste		
Other (specify)		
Other (specify)		
Totals		

3. Other Processors

If materials collected by your establishment that were reported above are sent to another company to be processed or recycled, please identify the type, quantity, and destinations of materials in the table below. This information is used to avoid double-counting material that has been recycled within NCO.

Facility	Type of Recyclable	Amount

THANK YOU FOR YOUR HELP!
